

My Top Five: Moscow

Moscow is renowned for its history, culture and shopping. But with so many different monuments, historical sights, restaurants, shops bars and nightlife to see, how can you make sure that you experience the best of everything Moscow has to offer? The My Top Five series gives you the background and history on a city's must-see attractions, so that you can make the most of your trip. It also includes essential information, such as opening times and location. However, each chapter gives you more than just the basics of the city's attractions, diving below the surface to lift the lid on some of the less well-known attractions, and helping you to discover the hidden Moscow. And of course, we don't fill endless pages with hard-to-read maps and difficult-to-download photos; there are five chapters of text, one on each attraction, all written by our team of experienced travel writers.

It was our first wedding anniversary on Saturday 15th of March (and 3 year dating anniversary), and since it was my turn to come up with a plan.
