

Forever Changed

From USA Today Bestselling author Tiffany King, *Forever Changed* has it all--a stable home with great parents, popularity and all the friends she could ever need. She is used to a lifestyle where everything comes easy to her, from good grades to being captain of the cheerleading squad. Her entire world is shaken to the core when a fatal accident takes her father, causing Cassandra to re-examine the course her life was on. The actions of one individual forever changes her life, leaving her to pick up the pieces of her broken family. Cassandra begins to question everything she once cherished and the people she disappointed along the way. Maddon Johnson's life is as different from Cassandra's as night and day. Abandoned by his mother at a young age, he is left to deal with his abusive, alcoholic father on his own. He has one goal, lay low and get the heck out of Dodge as soon as he is legally old enough. Everything changes when his father's tragic actions send Maddon crashing into Cassandra's world. Suddenly, getting away is the last thing he wants as he discovers it is possible to believe in love after all.
