

MacGregor's Wolf: Lessons of Time: A Historical Fantasy Novel

Deeper thinking, anger, adventure, history, love, mysticism... Jack Magnus at Readers Favorite says, haunting and lyrical not the kind of book you'll come across often or one you'll read for an afternoons escape and quickly forget about it is most highly recommended. Five Stars. Struggling to make sense of his life, Ray Barrett seeks solace in the mountains and encounters a lone wolf, a mystical creature, according to the Sioux. From that point forward, he is transported back in time and into the bodies of various persons throughout history. The ancient wisdom of the Sioux and a spirit guide named MacGregor accompany him through a series of experiences that teach him about life and purpose. Along the way, he falls in love with an assistant to MacGregor, Alexia, who fulfills a longing that has haunted him for quite some time. A book that I will remember for some time to come. I don't think one could read the book and not come away without a better understanding of himself, says Valerie on Amazon. Five Stars. Be transported to your favorite place in history and make new discoveries about yourself along the way.
