

## Cameron

Cameron is a young, sexy hustler who always used her book and street smarts to survive. A full-time student at Cleveland State University, she's destined to take the path leading to success—even if it means twirling around a pole every night just to make ends meet. Although dancing wasn't Cameron's ideal career, she's more than willing to deal with the drama and chaos that comes with the territory. However, what she isn't prepared for is dealing with the sticky situations her loud-mouthed best friend constantly puts her in. Not only that, but Cameron somehow has to find a way to juggle work, school, and her overly controlling boyfriend, Silk. Ten years her senior, he too serves as a legend in the world of adult entertainment. Yet that fame also came with its share of groupies, infidelities, and unwanted attention. If dealing with a sleazy friend and overzealous boyfriend aren't enough, things really heat up when Jude Patterson comes into the picture. Filled with love, drama, and betrayal, Cameron will surely take you on an emotional roller coaster ride. In the end, you'll be left to wonder who you can and cannot trust.
