

Frogs and Other Plays (Penguin Classics)

The master of ancient Greek comic drama, Aristophanes combined slapstick, humour and cheerful vulgarity with acute political observations. In *The Frogs*, written during the Peloponnesian War, Dionysus descends to the Underworld to bring back a poet who can help Athens in its darkest hour, and stages a great debate to help him decide between the traditional wisdom of Aeschylus and the brilliant modernity of Euripides. The clash of generations and values is also the object of Aristophanes satire in *The Wasps*, in which an old-fashioned father and his loose-living son come to blows and end up in court. And in *The Poet and the Women*, Euripides, accused of misogyny, persuades a relative to infiltrate an all-women festival to find out whether revenge is being plotted against him.

One of 46 new books in the bestselling Little Black Classics series, the three comedies collected in Aristophanes *The Frogs and Other Plays* offers a unique insight into one of the most important figures of ancient Greek comedy. Aristophanes was born, probably in Athens, c. 449 BC and was publicly honored and crowned for promoting Athenian civic unity in *The Frogs*. *Frogs and Other Plays* (Penguin Classics) eBook: Aristophanes, Shomit Dutta, Shomit Dutta, David Barrett: Kindle Store.
