

Escape the Vale (The Aubrey Nightingale Series Book 1)

Aubrey's mysterious appearance in the Vale as an infant caused an uproar within the town. In a place where no outsider had come in hundreds of years, she created a wide-spread panic. But the panic an infant caused is nothing compared to the fear that is created seventeen years later, when another stranger made his way through the cursed mountains that surround the town, looking for the lost Princess of Galena. Curiosity overflowed Aubrey as she wondered if she could be the one he was looking for and what would happen if she was? How would they get out of the Vale and what lies in the world beyond its walls?

Benedict Nightingale, The Observer, on Master and Commander It is as One of the finest seafaring novels of the Napoleonic wars. Valerine Webster, The Scotsman, on H. M. S. Surprise . Though each book is essentially self-contained, the Aubrey/Maturin series is better thought of as a single multi-volume novel, that, Jess Russell has read 8 of 12 books. 67% Escape the Vale (The Aubrey Nightingale Series, Book 1) 1 chapters updated Aug 08, 2015 03:26PM.
