Perhaps the best-known of Shakespeares tragedies, Hamlet has all the ingredients for a gripping story: revenge and power, familial love and betrayal, dramatic sword fights, dark spooky scenes. Once again Lois Burdett has woven her own brand of magic by transforming Shakespeares complex verse into rhyming couplets. She has created a version of Hamlet especially for children, even as young as seven, and one that readers of all ages will enjoy. At the appropriately named Hamlet Elementary School in Stratford, Ontario, where Burdett has taught for over 20 years, her students have created wonderful drawings of Hamlet to illustrate Burdetts fluid rhymes. The students interpretations are vivid evidence of Burdetts clever ability to bring Shakespeares complex characters and intricate plots to life for young people.
