

Heidi

If you've ever longed to see the Swiss mountain slopes, you'll love Heidi. This story transports the reader from the fine air and freedom of the mountaintop to the confines of Frankfurt, back to the peaks again, bounding in flowered fields with goats at your heels and sky utterly surrounding you. We meet Heidi when she is 5, led up the mountain by her aunt who has raised the orphan but must leave now for a position in Frankfurt. In a mountain cottage overlooking the valley is Heidi's grandfather, and there with him the girl's sweet, free nature expands with the vista. When Heidi is taken from the mountains and nearly doesn't make it back again, the most humorous as well as most heart-wringing scenes occur. All she learns during her absence from the mountain she brings back as seeds that will grow to benefit everyone around her.

<https://dj/heidi?> Heidi is a 1937 American musical drama film directed by Allan Dwan and starring Shirley Temple. The screenplay by Julien Josephson and Walter Ferris was Heidi is a 1968 NBC made-for-TV film version of the 1880 novel of the same name by Johanna Spyri which debuted on November 17, 1968.
