Arizona is a state of stunning and exotic landscapes, of ghost towns, ancient Indian dwellings, wild rivers, vast deserts, and high mountains. A land full of the unexpected, says Sarah Bennett, veteran mountain biker and author of *Mountain Biking Arizona*, formerly *The Mountain Biker's Guide to Arizona*. Primarily a guide of classic fat-tire biking trails from the Lower Sonoran Desert to the high alpine environment of the San Francisco Peaks, this book also provides a fascinating view of the natural and human history of this magnificent region. Mountain bikers of all abilities will enjoy the assortment of rides-varying in length and difficulty and appealing to a variety of moods, skills, and fitness levels. Detailed route descriptions, maps, and listings of mountain bike shops in each area will guide you to the best trails around.
