

Facing adversity from every angle, Ebony experienced and witnessed things no child should. With a crack addicted mother, an incarcerated father and a devoutly Christian grandmother—whose disdain for her could not go unnoticed—there was never anyone to protect her. From sexual and physical abuse to rape and spousal abuse as an adult, Ebony has endured too much pain for far too many years. After narrowly escaping an abusive boyfriend, protecting her son and getting her life on track is her main priority. Will Ebony find happiness and the peace she deserves or will she remain a victim of her past? Let Ebony take you on her journey to mental freedom.
