

War of the Black Tower: Part Two of a Dark Epic Fantasy Series: Revenge of the Dragon (The War of the Black Tower Trilogy Book 2)

When a dark power rises, only a cursed prince can stand against it. Baleron is the youngest son of the king of Havensrike, a land eternally at war with the sinister empire of Oslog to the south, ruled by the Dark Lord himself. Baleron, a womanizer and rogue, the black sheep of the royal family one step from being kicked out of the castle, longs to redeem himself in his fathers eyes. But when his beautiful sister Rolenya is seized by the dark powers, the thralls of the Dark Lord call out to Baleron in worship, calling him the Chosen One of their Master. What can they mean? As if that werent bad enough, the gears of war begin to turn, and the legions of Oslog pour forth from their lairs to make war upon the free peoples of the North. If Baleron cant save his sister and unlock the secret of his nature, the Dark Lord will sweep the world in shadow.
