

Best of Barcelona (Globetrotter Best of Series)

With its small format and fold-out maps this guide to Barcelona is perfect to carry with you wherever you go. The books feature well-presented sections on the highlights of the city or region, places of interest, activities, accommodation, where to eat out, entertainment and excursions. The text entries are cross-referenced with the fold-out maps, which include city plans, regional maps, public transport, cultural and archaeological site plans where relevant.
